Expected Graduation Year		

General Requirements: Effective Spring 2024

- ✓ To be considered for the Minor in D+EA, students must not be a DEA major.
- ✓ Students should submit the Intention to Minor in Design Innovation & Strategy form after successfully completing two core courses requirement in D+EA.
- ✓ The minor will consist of 17 total credits. Students must complete the three foundational courses, one graphics-focused course, one foundational studio course, and one elective studio courses from the approved list.
- ✓ Courses must be completed as letter grade with a grade of B- or better.
- ✓ Courses offered only as S/U are accepted but must not exceed a total of 3 credits toward the 17 credit requirement for the minor.
- ✓ Special study courses (DEA 4000, 4010, 4020, 4030) cannot be used toward the minor.
- ✓ No substitutions will be made for the required core courses.
- ✓ During the semester in which the student plans to graduate, s/he **MUST** submit a completed copy of the D+EA Application to Graduate with a Minor in Design Innovation & Strategy form to DEA's Academic Programs Coordinator at deandergrad@cornell.edu. The current version of requirements will be used to evaluate the completion of the Minor. If the Intention to Minor form has been submitted, the student has the option to make a request to use the earlier version of requirements in-effect at the time the Intention form was submitted to D+EA.
- ✓ After verification by D+EA that all requirements for the minor have been completed, the student's college registrar will be notified and the final transcript will indicate that a Minor in Design Innovation & Strategy was earned. **No other forms will be approved.**

Design Innovation & Strategy Minor

Some courses may not be offered annually due to sabbatical leave and other department circumstances. Verify course offerings online and through summer session.
